

PrimaTech Training Schedule

2025 Dates	Course	Location	Price	Duration	Category
July 7-11	Mechanical Integrity (MI) for Process Safety and Risk Management	Live-streamed	\$2,225	5 half days	 PSM/RMP
July 14-18	PHA Essentials for Team Leaders	Live-streamed	\$2,225	5 half days	 PHA
July 21-25	Layers of Protection Analysis (LOPA) for Process Safety Management (PSM)	Live-streamed	\$2,225	5 half days	 LOPA
July 22	How to Revalidate PHA Studies	Live-streamed	\$399	4 hours	 PHA
July 28-29	SIL Determination Using Risk Matrices, Risk Graphs and LOPA	Live-streamed	\$975	2 half days	 LOPA
July 30-31	Understanding and Applying Risk Tolerance Criteria for LOPA	Live-streamed	\$975	2 half days	 LOPA
August 1	How to Perform HAZOP on Procedures and Batch Processes	Live-streamed	\$149	1.5 hours	 Technical Briefing
August 4-5	Process Safety Management (PSM) Part I - Design and Implementation	San Antonio, TX	\$1,725	2 days	 PSM/RMP
August 6-7	Process Safety Management (PSM) Part II - Auditing Programs	San Antonio, TX	\$1,725	2 days	 PSM/RMP
August 11-12	Principles of PHA for Team Members	Live-streamed	\$975	2 half days	 PHA
August 13	How to Perform CHAZOP on Process Control Systems	Live-streamed	\$399	4 hours	 Technical Briefing
August 25-26	Process Hazard Analysis for Scribes	Live-streamed	\$975	2 half days	 PHA
September 3-4	Understanding IEC 61511 / ISA 84 and Developing a Safety Requirements Specification	Live-streamed	\$975	2 half days	 SIS
September 4	Use of Data Analytics in PHA	Live-streamed	\$299	3 hours	 Technical Briefing
September 5	How to Perform PHA to Facilitate LOPA	Live-streamed	\$199	2 hours	 Technical Briefing

PrimaTech Training Schedule

September 8-12	Process Hazard Analysis (PHA) for Team Leaders	Houston, TX	\$3,595	5 days	 PHA
September 8-9	Refresher Training for Process Hazard Analysis (PHA) Team Leaders	Houston, TX	\$1,725	2 days	 PHA
September 10-12	Advanced Process Hazard Analysis (PHA) for Team Leaders	Houston, TX	\$2,225	3 days	 PHA
September 11	Using Risk Matrices Correctly in Process Safety	Live-streamed	\$399	4 hours	 PHA
September 12	How to Revalidate PHA Studies	Live-streamed	\$399	4 hours	 PHA
September 16-19	Bow Ties in Process Safety	Live-streamed	\$1,725	4 half days	 PHA
September 22-26	Comprehensive Process Safety Management for Facility Personnel	Live-streamed	\$2,225	5 half days	 PSM/RMP
September 22-26	Process Hazard Analysis (PHA) for Team Leaders	Amsterdam, The Netherlands	£3,690 or €4,290	5 days	 PHA
September 29 – October 3	Safety Integrity Level (SIL) Verification for Safety Instrumented Systems	Live-streamed	\$2,225	5 half days	 SIS
September 29	Facilitating Brainstorming and Creative Thinking in PHA Studies	Live-streamed	\$399	4 hours	 PHA
September 30	Understanding and Addressing Chemical Reactivity Hazards in PHA	Live-streamed	\$399	4 hours	 PHA
October 2	How to Assign Nodes in HAZOP Studies	Live-streamed	\$199	2 hours	 Technical Briefing
October 3	Understanding and Addressing Domino Effects in PHA	Live-streamed	\$199	2 hours	 Technical Briefing
October 6-8	Layers of Protection Analysis (LOPA) for Process Safety Management (PSM)	Houston, TX	\$2,225	3 days	 LOPA
October 9	SIL Determination Using Risk Matrices, Risk Graphs and LOPA	Houston, TX	\$975	1 day	 LOPA
October 9-10	Applying Creative Thinking and Critical Thinking in Process Safety	Houston, TX	\$1,725	2 days	 PSM/RMP

PrimaTech Training Schedule

October 10	Understanding and Applying Risk Tolerance Criteria for LOPA	Houston, TX	\$975	1 day	 LOPA
October 14-17	Dust Hazard Analysis and Risk Assessment	Live-streamed	\$1,725	4 half days	 PHA
October 14-17	Principles of Procedure Writing for the Process Industries	Live-streamed	\$1,725	2 days	 Procedures
October 20-24	Process Hazard Analysis (PHA) for Team Leaders	Houston, TX	\$3,595	5 days	 PHA
October 20-21	Understanding and Applying Human Factors for Process Safety	Live-streamed	\$975	2 half days	 Human Factors
October 23-24	Advanced Procedure Writing for the Process Industries	Houston, TX	\$1,725	2 days	 Procedures
November 10-14	PHA Essentials for Team Leaders	Live-streamed	\$2,225	5 half days	 PHA
November 11-12	Process Safety Management (PSM) Part I - Design and Implementation	Live-streamed	\$975	2 half days	 PSM/RMP
November 13	How to Identify IPLs for LOPA Studies	Live-streamed	\$399	4 hours	 Technical Briefing
November 17-20	Process Safety Management (PSM) Part II - Auditing Programs	Live-streamed	\$1,725	4 half days	 PSM/RMP
November 17	Management of Change (MOC) for Process Safety	Charlotte, NC	\$975	1 day	 PSM/RMP
November 18-20	Mechanical Integrity (MI) for Process Safety and Risk Management	Charlotte, NC	\$2,225	3 days	 PSM/RMP
November 24-28	Process Hazard Analysis (PHA) for Team Leaders	Mexico City, Mexico (Spanish)	\$3,695	5 days	 PHA
December 1-5	Process Hazard Analysis (PHA) for Team Leaders	Singapore, Singapore	\$4,595	5 days	 PHA
December 8-12	Process Hazard Analysis (PHA) for Team Leaders	Houston, TX	\$3,595	5 days	 PHA
